**Strong Platform Adopted That Promises
To Do Things--Chas. Joslin For
Mayor and Jos. Roberts And
Harry Heap for the Council.**

(From Saturday's Daily)

REPUBLICAN TICKET.

Mayor Chas. T. Joslin
Councilmen Jos. I. Roberts
Harry W. Heap
Chief of Police,
Thos. F. McLaughlin
Treasurer Chas. E. Gentry
Assessor H. M. Maus
Recorder H. G. Coykendall

Believing that the best interests of the entire city can best be served by an administration backed by a responsible political organization, the Republicans of Prescott last night nominated a full ticket for the coming municipal election. They also adopted a platform which the nominees are pledged to carry out, and which will commend itself to every man who is interested in the upbuilding of the city.

There was a large attendance at Armory Hall, where the meeting was held, and the spirit of enthusiasm was manifest throughout the proceedings. After the meeting was called to order by J. C. Forest, nominations for chairman were called for and Judge D. E. Parks was elected unanimously. In assuming the gavel he said: "Behold how pleasant it is for Republicans to dwell together in unity." Then he spoke of the justice in Republicans securing a voice in the city government, and concluding his remarks called for the nomination of secretary, to which W. S. Norviel was elected by acclamation.

Robt. E. Morrison called attention to the fact that no party is now responsible for the condition of affairs in Prescott, and declared that the time had arrived when the Republican party, famous for its economical and honest management of territorial and county affairs, should manage the city government of Prescott. To that end he moved that three committees be selected:

- (1) To select a City Central Committee.
 - (2) To prepare a platform, and
 - (3) To frame the proper petition to enable the ticket to be placed upon the ballot.
- On the first named committee there were named J. W. Milnes, Jos. S. Calles, and Leroy Anderson.
- On platform, Robt. E. Morrison, E. S. Clark and T. C. Job were selected, and on the framing of a petition, Paul Hastings, Orick Jackson and Harry Harter were the appointees. After the last named committee had reported, the platform committee presented the following, which was unanimously adopted.

The Platform.

The Republican party of the city of Prescott, believing that municipal affairs can be better and more satisfactorily administered under the direction of a responsible political organization, hereby offer the names of well known members of that party and citizens of Prescott as candidates for the various municipal offices, and we do hereby advocate and adopt the following principles as being necessary and advantageous to the proper administration of the affairs of the city, and pledge the said candidates to the support thereof.

- (1) To the administration of the city's affairs upon a more economical and business-like basis than has heretofore been followed; to the reduction of unnecessary expenditures and the consolidation, so far as permitted by law, of the appointive officers, and the keeping of a clerk or officer of the city at the city hall during business hours so that business may be transacted there when desired; to the publication of monthly statements of the transactions and accounts of the city.
- (2) To a just and fair equalization of taxation.
- (3) To the extension of water and sewer mains where needed within the city limits, so that all taxpayers receive their just proportion of the benefits of the city government.
- (4) To the grading and improvement of streets and sidewalks and the proper maintenance of the same, in order that the value of real estate may be increased, the city beautified, and the growth of the same encouraged.

APPEAL MURDER CASES.

Nephew of Frank Spence Ret. Attorney for Uncle.

(From Thursday's Daily)

After engaging Attorney R. P. Spence to represent his uncle, Frank Spence, convicted of murder with death penalty, in an appeal to the supreme court of the territory, Frank Spence, nephew of the convicted, left yesterday afternoon for his home in Salisbury, Missouri. Notice of appeal has been filed in the district court by Attorney Talbot.

The younger Spence arrived Saturday night. He is anxious to save his uncle from paying the extreme penalty of the law for the murder of Edgar R. Sullivan, for which the convicted man will be kept in the county jail here pending the decision of the supreme court.

An appeal to the supreme court of the territory will also be taken in case of E. D. Hurley in case the conviction for a new trial is denied. Hurley was convicted of murder, the jury imposing the penalty as imprisonment for life for the shooting of F. J. Connelley in the Black Hills October 14. Hurley will probably be transferred to territorial penitentiary pending decision of the supreme court. He is represented by Attorneys Reese Ling and J. F. Wilson.
